Tasting notes

Among the various Italian rosé wines, Chiaretto del Garda is particularly appreciated for its fruitiness and its delicate aromas. The literature describes it as a “one-night wine”, due to the fact that the vinification of the four typical local grapes that are part of the Valtènesi D.O.P. - Groppello, Marzemino, Sangiovese and Barbera – takes place with contact of the must on the skins for just one night. A wine that expresses the carefree atmosphere of Lake Garda, it stands out thanks to its color and delicate structure.
